

production crew menu

At Talk of the Town, food is our life.

We spend every day perfecting our recipes, sourcing the freshest local ingredients, and training our staff in the art of service. We are committed to excellent service, delicious cuisine, and flawless event planning from the day you contact us until the last dish is washed and packed away. We are proud to offer locally grown and organic options based on seasonal availability and when competitively priced.

We are called upon by the most discerning clients to handle events at the finest venues. Our awards are many, including Top 20 Caterers in Atlanta by the Atlanta Business Chronicle, The Knot's Best of Weddings Hall of Fame and winner of Wedding Wire's coveted Couples' Choice Award time and again.

Our production crew menus are priced for a minimum of 25 guests.

Plasticware and disposable serveware are included at no additional cost.

For delivery services, add a 12% production fee, delivery fees, and applicable taxes.

For full-service presentation, staffing fees will apply.
