At Talk of the Town, food is our life.

We spend every day perfecting our recipes, sourcing the freshest local ingredients, and training our staff in the art of service. We are committed to excellent service, delicious cuisine, and flawless event planning from the day you contact us until the last dish is washed and packed away. We are proud to offer locally grown and organic options based on seasonal availability and when competitively priced.

We are called upon by the most discerning clients to handle events at the finest venues. Our awards are many, including Top 20 Caterers in Atlanta by the Atlanta Business Chronicle, The Knot's Best of Weddings Hall of Fame and winner of Wedding Wire's coveted Couples' Choice Award time and again.

To ensure that you have a balanced menu and enough cuisine for your guests, please choose a minimum of one salad, one entrée, two vegetables, and one starch. Additional items may be added to enhance your menu, including appetizers, carving stations, and more!
